

10TH ANNUAL KYLEIGH'S GIFT DIAPER DRIVE

April 22 - 28

What is Kyleigh's Gift?

Rodger and Leann Weller created Kyleigh's Gift after the passing of their daughter, Kyleigh Elizabeth in 2012. Today, the program touches thousands each year through safe sleep and infant crying initiatives, providing equipment, diapers, and meal support for struggling families, and creating memory boxes and care packages for those facing pregnancy or infant loss.

Why a Diaper Drive?

One in five Kansas City children live in poverty. The diaper need for these families is substantial. Babies and children who have access to clean, fresh diapers are healthier and happier. Since 2015, over 250,000 diapers have been collected in memory of Kyleigh on her birthday. The annual Diaper Drive is a way to honor her and all that Kyleigh's Gift is doing for infants and families in the community.
